Michau Van Speyk

The board would like to recognize the departure of long-standing president Laura Kirby-McIntosh whose tireless leadership has helped guide the Ontario Autism Coalition through some of the most challenging moments faced by the autism community in Ontario. The board welcomes newly elected president Angela Brandt, whose capable guidance will now steer the Ontario Autism Coalition.

The Ontario Autism Coalition remains more determined than ever to ensure that individuals with autism get access to the support that they need. Our newly elected board is heading into the new year with renewed purpose and energy in the fight to hold the provincial government accountable, and to continue to advocate for individuals living with autism in Ontario.
